

OneMooreville Technical Edits July 9, 2019

The following technical edits have been made after the June 10 public open house events. They are reflected in "**Public Review Draft V.2. Technical Edits - July 2019**":

- **Revised Shared Use Path Network on Maps**- An outdated layer was in use on some maps. The corrected layer has been confirmed or replaced on the following maps:
 - Future Character and Land Use (p. 47)
 - Bicycle Map (p. 97)
 - Pedestrian Map (p. 99)
 - Shared-Use Path Map (p. 101)
- **Heading style corrected** (p. 94)
- **Added NC 150 to Freight Map** – per previous steering committee request (p. 105)
- **Added transit facilities to Policy 4-2-3** (p. 137)
- **Revised Action "Continue Transit Investments"** – ensuring ICATS/CATS inclusion (p. 198)
