1. Community Conversations #1 Public Input Overview and Themes

David Henning delivered a presentation to the team summarizing the key themes from public input received as a part of Community Conversations #1 and showcasing detailed responses from individual events. A Community Conversations #1 summary report will be available online soon on www.OneMooresville.org. Leigh Anne King also presented the proposed plan chapter structure.

2. Vision and Values Discussion and Exercise

Leigh Anne King delivered a presentation to the team on proposed vision and value statements to serve as a plan framework. The proposed statements view Mooresville as Enduring, Connected, Equitable, and Innovative.

3. South Mooresville Focus Area Workshop Preview

Leigh Anne King delivered a presentation to the team on the South Mooresville Focus Area Workshop, including draft maps to be used at the workshop. The workshop will be held December 6, 2018 from 6:30 to 8:30PM at the Cove Church Mooresville Campus, 197 Langtree Road. Technical team members closely reviewed the maps and provided recommendations for adjustments prior to the workshop. Additional information will be added to the main workshop map to reflect additional transportation plans and development constraints.

Identified at the meeting:

- Share areas with watershed- and agreement-related density restrictions on the main participatory activity map
- Share likely locations of transit terminals at the workshop
- Share development contexts of adjacent lands outside Iredell County including lands in Davidson and Kannapolis planning documents
- Include rural crossroads type development as an option during the workshop

4. Next Steps

The OneMooresville Technical Team will meet next on January 14 to discuss the results of the focus area workshop. There will be no Technical Team Meeting in December, though members are encouraged to attend the December 6 focus area workshop.
